Olebar

Drumbeg 6 inch waterfall from ground level

From Drumbeg

A photograph of a forest stream. The water is clear and reflects the surrounding trees and foliage. A large, dark rock is visible in the middle of the stream, with its reflection clearly visible below it. The trees are tall and thin, with dense green foliage. The lighting is soft, suggesting a late afternoon or early morning setting. The overall scene is peaceful and natural.

Reflections - Cox Park

Lasqueti - Arch through the arches

Denman Island - Wires appear to cross from this angle
